## Step 1:

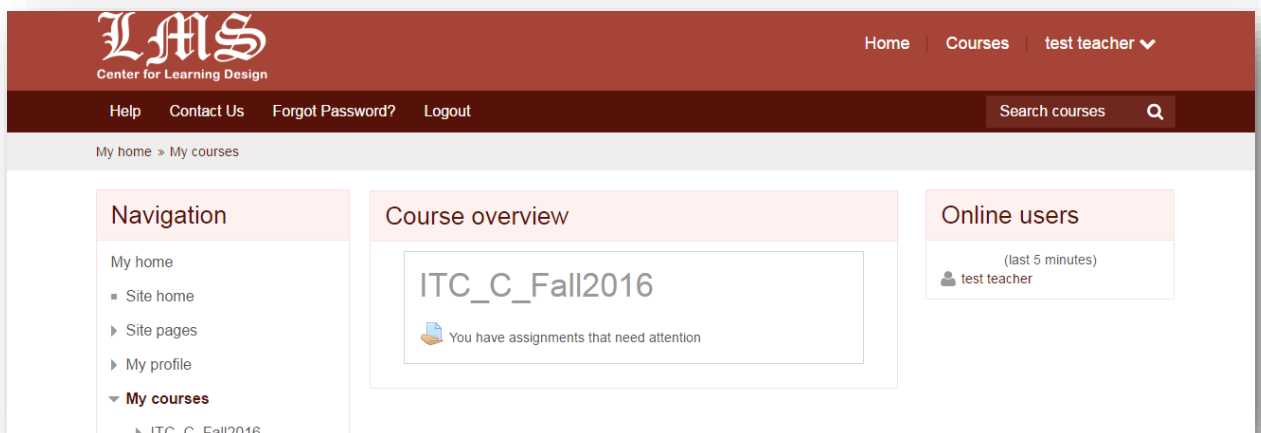

Open <http://foitlms.ucp.edu.pk> and enter your username and password:

The screenshot shows a login form with a dark red header. The title is "Login into your account". There are two input fields: "Username" with a person icon and "Password" with a lock icon. A "Log in" button is to the right. Below the fields, there is a link for "Forgotten your username or password?" and a checkbox for "Remember username".

## Step 2:

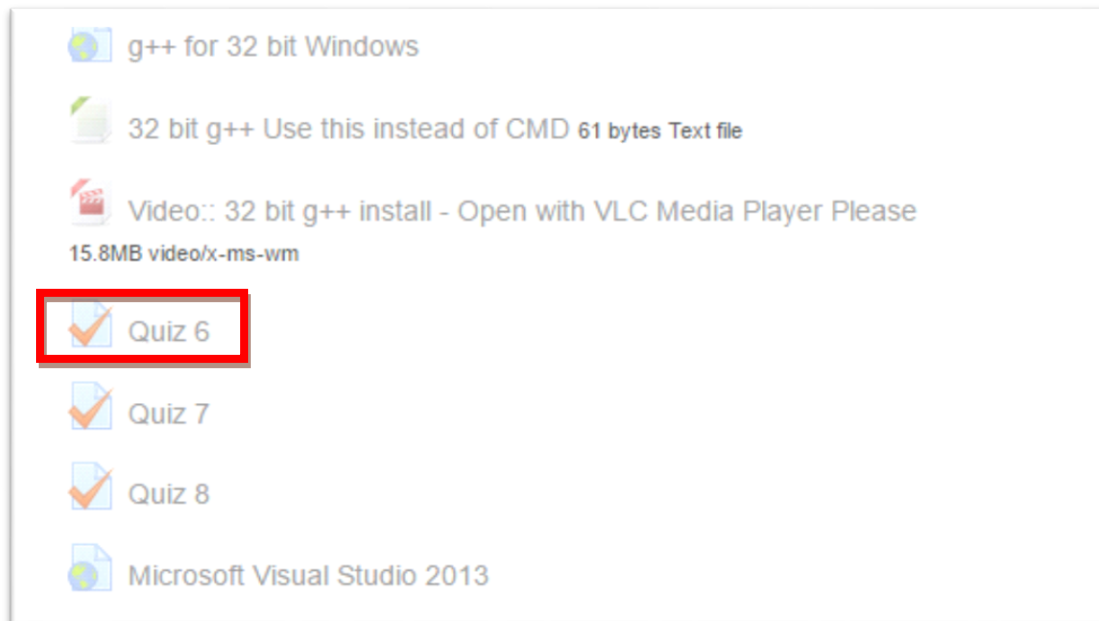

Select an appropriate course:

The screenshot shows the LMS interface after login. The header includes the "LMS Center for Learning Design" logo, navigation links for "Home", "Courses", and "test teacher", and a search bar. The main content area is divided into three sections: "Navigation" with links to "My home", "Site home", "Site pages", "My profile", and "My courses" (with "ITC\_C\_Fall2016" selected); "Course overview" for "ITC\_C\_Fall2016" with a notification "You have assignments that need attention"; and "Online users" showing "test teacher" online for the last 5 minutes.
